

Yugen Jarwal

I turn raw clips into cinematic stories that speak louder than words—crafting with emotion, pacing with rhythm, and crafting visuals that linger.

EXPERIENCE

TECHNOVA - SURGE | COVERAGE LEAD

March 2025 – April 2025 | BMU

- Served as Coverage Lead for Scimat's SURGE in Technova, handling end-to-end content creation—from shooting dynamic reels and crafting an engaging trailer to editing a high-impact aftermovie. Ensured every frame captured the energy, emotion, and essence of the event.

67TH MILESTONE'25 HACKED 3.0 | COVERAGE TEAM

Feb 2025– March 2025 | BMU

- Captured and edited dynamic visuals throughout the event, including high-energy reels and the official aftermovie—bringing the spirit of the hackathon to life through storytelling and cinematic edits.

67TH MILESTONE'25 | MEDIA TEAM

Feb 2025– March 2025 | BMU

- Captured multiple events through photography and videography, preserving moments with a creative and storytelling lens

PROJECTS

UNISPHERE OFFICIAL VIDEO | AFTERMOVIE

2025

- Edited a video for UniSphere, the official app of my college, showcasing its entire journey. The video was presented at the felicitation ceremony, attended by college leadership and high-profile representatives from Hero Group.

ACIC | AFTERMOVIES FOR EVENTS

2024

- Edited videos for ACIC events at our college, capturing the essence of each event and creating engaging edits that told the complete story.

KRYSTAL'24 | SAVERA CLUB'S ANNUAL EVENT

2024

- Edited a video documenting the journey of the Savera Club, detailing its formation and objectives. The video was featured at Krystal'24, the official annual event of Savera.

@YJ.EDITZ | MY INSTAGRAM HANDLE FOR EDITS

2024

- Creator at @yj.editz – a personal Instagram page where I transform imagination into impactful visual edits.

@YUGENNN_13 | MY PERSONAL INSTAGRAM HANDLE

2022

- My personal account showcasing edits that reflect imagination, real-life adventures, friendships, and personal stories through engaging visual storytelling.

CINEMATIC CHRONICLES | MADE EDIT FOR FEST

2024

SKILLS

EDITING

- Da Vinci Resolve • CapCut • VN • Good with AI tools •

StoryTelling
